

## CHSAB SAR Learning Event

The ½ day event is designed to share learning from the Safeguarding Adults Reviews undertaken by the City and Hackney Safeguarding Adults Board.

A safeguarding adult's review (SAR) is a multi-agency learning process. It aims to identify and promote good practice, effective learning and recommendations for future practice so that deaths or serious harm can be prevented from happening again. Its purpose is not to investigate how a death or serious incident happened or to hold any individual or organisation to account

This event will enable participants to understand what went wrong and could be done differently to help reflect on practice.
